What Now?

This lesson provides instructions to free up the used resources.

> **We'll cover the following** ∧
>
> - How to free up the resources?

How to free up the resources?

Now you need to decide whether to continue using the cluster or to destroy it. If you choose to destroy it or to uninstall Jenkins X, you'll find the instructions at the bottom of the Gist you chose at the beginning of this chapter.

If you destroyed the cluster or you uninstalled Jenkins X, please remove the repositories and the local files we created. You can use the commands that follow for that.

> ⚠ Please replace the `[...]` with your GitHub user.

```
cd ..

GH_USER=[...]

hub delete -y \
  $GH_USER/environment-tekton-staging

hub delete -y \
  $GH_USER/environment-tekton-production

rm -rf environment-tekton-production

rm -rf ~/.jx/environments/$GH_USER/environment-tekton-*
```

In the next lesson, we will take a quiz and review some of the material we covered in this chapter.
