Quiz

Let's take a quiz and review some of the material we learned in this chapter.

1 ⚠ How can we create a PR titled "My PR" using the `jx` CLI ?

2 ⚠ If we push additional changes to the pull request, the process will repeat, and it will end with new deployment to a different environment.

3 Can you merge a PR using the `jx` CLI?

4 In CronJobs, by default, the garbage collectors are executed every _____.

5 Can you run the garbage collectors manually?

In the next chapter, we will discuss how to promote a release to the production environment.
