Epilogue

Well, this pretty much concludes the course. You can send me your thoughts at contact@8bitmen.com. I would appreciate any feedback, suggestions, or anything you want to say.

This is my LinkedIn profile.

You can check out my other course on **Web Application and Software Architecture 101** here

You can also follow my blog 8bitmen.com. I write about software architecture in general and architectures of large scale internet services.

Wish you luck with your career!!

Cheers!!
