# Quiz: HTTP Status Codes

In this lesson, your knowledge of HTTP status codes will be evaluated through a quiz.

Quiz - HTTP Status Codes

1 Which of these is the meaning of the `200 OK` status code?

2 When do we see `204 No Content` Status Code in the response?

3 ! What is `400 Bad Request` ?

4 ! What is `500 Internal Server Error` ?

5 ! What is `502 Bad Gateway` ?

Retake Quiz

Now that we are familiar with the status codes, in the next lesson, we will learn about HTTP headers.
